

NOTICE

To Former or Current Members of Poudre Valley REA

Each year, Poudre Valley REA Board of Directors reviews the Association's financial health, and allots any funds remaining after all expenses are paid. These funds are then allocated to your membership. When the co-op's financial condition permits, your Board of Directors we decide to retire, or pay member credits.

In 2021, the Co-op paid \$3.6 million in member credits to members who received service from PVREA for the years 1993, 1994, 2004, 2005, and 2020 or any combination of those years. In September 2021, current members during the years mentioned above will receive their credits on their September bill statement. If you were a previous member and had built up at least \$10 worth of credit, your member credit check would have been mailed to you.

Due to not having a valid address on file or not cashing your check, it is possible that you may have unclaimed member credits on file.

Please refer to this list to see you are owed money from Poudre Valley REA. **If you see your name or a name you recognize, please contact us during business hours to speak with our Member Services team at 1-800-432-1012 option 3 or you can email us at pvreacs@pvrea.coop.**
